DOING WELL *and doing good deeds!*

DONATIONS

Donation of telemedicine software to healthcare facilities (hospitals, nursing homes, etc.), to help doctors and nurses free up beds during the most critical stage of the pandemic, by monitoring discharged or non-severe COVID 19 patients at home.

ENVIRONMENTAL SUSTAINABILITY

Promoters of internal initiatives, good management practices, and the development of solutions that combine innovation with respect for the environment.

PAYROLL GIVING

We have created the first automatic Payroll Giving system in Italy that allows employees of companies that use Zucchetti payroll software to donate to Telethon directly from their paycheck.

SCHOLARSHIPS

We support the most deserving students, especially the children of our employees, who decide to study STEM disciplines.

CHARITY

Main sponsor of Bergognone Onlus in Lodi, a non-profit, social and recreational center for the disabled.
